

261A.38 Issuance of obligations — conditions.

The authority may issue obligations and make loans to an institution or another entity if the project is to be leased to an institution or may issue obligations to finance projects to be leased by the authority to an institution and refund, refinance, or reimburse outstanding obligations, indebtedness, mortgages, or advances, including advances from an endowment or any similar fund, issued, made, or given by the institution, whether before or after July 1, 1985, for the cost of a project, when the authority finds that the financing prescribed in [this section](#) is in the public interest, and either alleviates a financial hardship upon the institution, results in a lesser cost of education, or enables the institution to offer greater security for a loan or loans to finance a new project or projects or to effect savings in interest costs or more favorable amortization terms.
